## JA 8.A – 6.5.

poslech učebnice strana 59/6

**Answer key**

- 1 Near the coast of South America.
- 2 They were cleaned to remove the oil from their feathers.
- 3 The detergent also removed the natural oil so their feathers weren't waterproof.
- 4 14 died, 38 were released, the others are being kept for a few more weeks until their feathers are waterproof again.

## JA 9BC – 7.5.
